NEW!! CHEMICAL PRODUCTS DESK REFERENCE

Edited by Michael and Irene Ash

This new reference source provides an unparalleled range of coverage for important industrial chemicals - over 32,000 fully detailed chemical entries. Its comprehensive features are presented in four parts:

Part 1. Dictionary of Chemical Tradenames

Part 2. Functional Taxonomy of Tradenames

Part 3. Generic Component to Tradename Cross-Reference

Part 4. Manufacturers' Directory

For the first time a single 1,312 page volume, hard cover reference for tracking trademark products by application, chemical composition and manufacturer. Supplements will be issued biannually.

Cost: \$330.00
